**“Students are NOT permitted to have cell phones/smart watches/pagers turned on during testing.”**

### Cell Phone/Smart Watch/Pager Use

The use of cell phones/smart watches/pagers during testing is not permitted for the following reasons:

- Making or receiving calls disrupts the testing environment by disturbing other students.
  - Making or receiving calls could compromise the confidentiality of the test.
  - The text messaging, camera features, and internet capability of cell phones/smart watches/pagers could be used to compromise the security and confidentiality of the test.
- 1.) In Alejo ISD, all **student** cell phones, smart watches, and pagers may NOT be in operation during any testing situation
  - 2.) In Alejo ISD, all **teacher** cell phones, smart watches, and pagers may NOT be in operation during any testing situation
  - 3.) Students WILL give their cell phones, smart watches, and pagers to the test administrator after making sure the phone, all alarms etc., are turned off.
  - 4.) Each phone/watch/pager will be labeled with the student’s name.
  - 5.) Cell phone/smart watch/pager will be returned once ALL testing is complete and the student is leaving the testing area.
  - 6.) NO STUDENT MAY HANDLE A CELL PHONE, SMART WATCH, AND/OR PAGER DURING THE TEST OR IN THE TESTING ROOM ONCE A TEST SESSION BEGINS.
  - 7.) Failure to comply with these procedures may cause the student’s test to be given a score code of “0”.

I have read the above Cell Phone/Smart Watch/Pager Policy During State Testing to the students in my testing room.
